New Mythic Works Series

The Thousand Faces Festival is producing their first ever New Mythic Works Series. Edmonton area playwrights have submitted new and/or unproduced 10-20 minute plays based in mythology. 4-6 plays will be selected by a blind jury, and then workshopped and rehearsed by our Ensemble of four actors.

The Role

Directors will facilitate discussion during workshops with pre-selected Ensemble members, a dramaturg, and selected playwrights. The focus of these workshops will be on giving the playwright an opportunity to hear their work aloud and receive feedback, with options to then revise their script. Directors will then focus on directing a staged reading/workshop production of the selected scripts, to be performed publicly.

Submission

Please submit your resume, letter of interest, and headshot (optional), to info@thousandfaces.ca with the subject line "New Mythic Works Series - Director". Only selected applicants will be contacted for an interview.

Deadline to submit: May 13th, 2022
